The Old Saying, That

COMPETITION IS THE LIFE OF TRADE

Is Doubtless True!

At least it has proven so with us. In spite of the several new stores in the city our trade is continually growing. We have an elegant line of Men's and Boys' Clothing, Shoes and Hats, and our prices are exceedingly low. We can always save you money in these lines. We also have a nice line of Dress Goods and Ladies' Ready-Made Shirt Waists and Skirts, but our windows are so small that we cannot display them as we would like, but we are always glad to show you what we have and if you will only take a look you will surely find something to suit you.
